What Can You Tell Me About Green Bay, WI?

Wisconsin's oldest settlement, Green Bay, is located at the mouth of the Fox River on the shore of Lake Michigan. The river, which has been an avenue of transportation and commerce for centuries, carves its way through the middle of the city. Green Bay is home to a large population of elderly, low-income, or disabled residents, many of whom sorely need our help to remain in their homes.

How We'll Serve

At the Green Bay, WI Workcamp, our group will demonstrate Jesus' love and compassion in tangible ways, serving real people in need while working on projects like...

- Building wheelchair ramps and handrails
- Weatherizing homes and trailers
- Reconstructing sagging porches
- Significant painting projects
- Interior and exterior carpentry
- Other home repair projects that the homeowner cannot otherwise complete
